**Subject: Notice of Violation - Failure to Sample Drinking Water as Required
for Total Coliforms**

Your public water system is in violation of Rule 3745-81-21 of the Ohio Administrative Code for failure to comply with the coliform monitoring requirements:

| | |
|------------------------------------|-----------------------------------------|
| Monitoring Period: | August 2007 |
| Required Coliform Sampling: | At least 1 sample(s) each month. |
| Sample Results Submitted: | NONE |

| Actions required as a result of the above violation | |
|------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Step 1 | <p>Within 30 days issue public notice of the violation in accordance with rule 3745-81-32 of the Ohio Administrative Code by the following methods:</p> <ol style="list-style-type: none"> 1. Mail or other direct delivery to each customer receiving a bill and to other service connections; and 2. If necessary, the system must also use any other method reasonably calculated to reach all persons. <p>Note: Systems opting to include the required public notice in the next water bill have up to 90 days.</p> <p>The language in italic on the attached public notice is mandatory and must be included as written.</p> |
| Step 2 | <p>Within ten (10) days of completing Step 1 above, fill out the attached verification form and send along with a copy of the public notification issued to the District Office of the Ohio EPA.</p> |
