Dear Ms. Elliott:

In accordance with Ohio Administrative Code (OAC) 3745-83-01(I)(2), public water systems are required to submit monthly operational reports to Ohio EPA Division of Drinking and Ground Waters by the tenth of the month following the reporting month and that the reports be signed by the Operator of Record.

Our records indicate that the Walnut Ridge Townhomes monthly operating reports between January and July of 2009 were not signed by the operator of record. This represents a violation of the above rule.

Please complete the attached "Operator of Record Notification" form and mail it back to the attention of Mr. Dave Bornino at:

Ohio Environmental Protection Agency
Division of Drinking and Ground Waters

Please ensure that your monthly operating reports are received by this office by the 10th of the following month for which the report is due and the report signed by the operator of record.

Ted Strickland, Governor
Lee Fisher, Lieutenant Governor
Chris Korleski, Director
