Dear Ms. Lawson:

Thank you for your February 1, 2008 response to Ohio EPA's December 26, 2007 Notice of Violation letter. You submitted documentation of repairing the maintenance storage tank and management of containers on the east pad.

- OAC Rule 3745-55-96(F) abated.
- OAC Rule 3745-55-73 abated.

My review of this documentation reveals that RIS has adequately demonstrated abatement of all violations discovered during our October 23 and 24, 2007 inspections.

If you should have any questions, please feel free to call me at (330) 963-1246.

Sincerely,

John Paquelet
District Representative
