CESQG

September 1, 2011

Mr. Christopher J. Hassmann, Director of EH&S  
Ashland University  
401 College Avenue  
Ashland, Ohio 44805

Dear Mr. Hassmann:

Thank you for submitting the requested information received by Ohio EPA on August 23, 2011. You submitted this information in response to my August 3, 2011, Notice of Violation Letter. In your response letter, you stated that Chemtron Corporation in Avon, Ohio, would be picking up and managing your used oil for the time being. You added that you are searching for an approved facility close to your facility in Ashland.

My review of this documentation reveals that Ashland University has abated the violation discovered during the July 21 and August 3, 2011, complaint investigation/inspection as listed below:

Letter Citation	Rule Citation	Date Discovered	RTC Date
1	OAC Rule 3745-279-24: Used Oil Shipments	07/21/2011	08/23/2011

Should you have any questions or if I can be of assistance, please contact me at (419) 373-3015.

Sincerely,

Edgar V. Pulido  
Division of Materials and Waste Management
