Dear Mr. Lieberman:

Thank you for your January 7, 2007 response to Ohio EPA's December 27, 2006 Notice of Violation (NOV):

Your response included pictures of the following:

1. Spill control equipment that you have purchased for your facility.
2. A list of emergency contact information located by the telephone that would be used to report a spill or release of hazardous waste.
3. The emergency equipment inspection form showing that one inspection has been completed.

In addition to the above, you explained during a telephone call on January 8, 2007 that emergency equipment inspections will occur at your facility once per week.

The documentation you have submitted is sufficient to abate the violations listed in the NOV:

2. **Emergency Equipment Inspections**
OAC 3545-65-33
3. **Emergency Response Information**
