Re: **Notice of Violation for Operational Requirements**

Dear Mr. Walker:

In accordance with Ohio Administrative Code (OAC) 3745-83-01(I), public water systems are required to submit monthly operational reports to Ohio EPA, Division of Drinking and Ground Waters by the tenth of the month following the reporting month. This report is required to be signed by an Operator of Record for the water system. According to our records, the Village of West Jefferson did not have an Operator of Record during August 2008, and the Village was in violation of OAC 3745-83-01(I).

Our office has received an *Operator of Record Notification* form on September 8, 2008, providing the names of the following operators to serve as Operators of Records for the Village of West Jefferson:

1. Lyndon Johnson (WS1-1016373-05)
2. Haley Wright (WS2-1019952-08)

If you have any questions, please call me at (614) 728-3870.

Sincerely,

Bridgette Marchio
