Subject: Notice of Violation for Operational Requirements & Operator Certification Rule

Dear Mr. Croston:

In accordance with Ohio Administrative Code (OAC) 3745-83-01(1)(2), public water systems are required to submit monthly operational reports (MORs) to Ohio EPA Division of Drinking and Ground Waters by the tenth of the month following the reporting month. This report is **required to be signed** by an Operator of Record for the water system. Carvel Manor MHP is in violation of OAC 3745-83-01, because the October 2008 MOR was not signed by a licensed operator.

Carvel Manor MHP is also in violation of Ohio Administrative Code (OAC) 3745-7-02, for failure to submit to Ohio EPA a signed contract with a licensed operator and a completed *Operator of Record Notification* form. These documents were required to be submitted per correspondence sent from this office dated October 23, 2008.

Continued noncompliance with these rules may escalate into an enforcement action being taken against your facility.

If you have any questions, please call me at (614) 728-3870.

Sincerely,

Bridgette Marchio
