Subject: Notice of Violation for Operational Requirements & Operator Certification Rule

Dear Mr. Croston:

In accordance with Ohio Administrative Code (OAC) 3745-83-01(I)(2), public water systems are required to submit monthly operational reports to Ohio EPA Division of Drinking and Ground Waters by the tenth of the month following the reporting month. These reports are **required to be signed** by an Operator of Record for the water system.

According to our records, Carvel Manor Mobile Home Park did not have an Operator of Record during July 2009, and the July monthly reports were not signed resulting in violation of OAC 3745-83-01(I)(2).

If you have any questions, please call me at (614) 728-3870.

Sincerely,

Bridgette Marchio
