**Subject: Notice of Violation for Operational Requirements & Operator Certification Rule**

Dear Mr. Croston:

In accordance with Ohio Administrative Code (OAC) 3745-83-01(I)(2), public water systems are required to submit monthly operational reports to Ohio EPA Division of Drinking and Ground Waters by the tenth of the month following the reporting month. These reports are **required to be signed** by an Operator of Record for the water system. According to our records, Wagon Wheel Mobile Home Park does not have an Operator of Record, and the June 2009 monthly reports were not signed resulting in violation of OAC 3745-83-01(I)(2).

You are required to submit the *Operator of Record Notification* form immediately to Ohio EPA along with a copy of the signed contract between you and a certified operator. If you continue being noncompliant with these rules, your water system will be referred for enforcement.

If you have any questions, please call me at (614) 728-3870.

Sincerely,

Bridgette Marchio  
Environmental Specialist
