Return to Compliance

September 4, 2009

Mr. W. B. Myles
Myles Group – Industrial Waste Group
256 Eagleview Boulevard – PMB 261
Exton, Pennsylvania 19341

Dear Mr. Myles:

Thank you for your September 2, 2009, response to Ohio EPA's April 28, 2009, Notice of Violation letter (NOV). Your response stated you will have your used oil picked up and recycled by DISC Environmental Service, Inc.

My review of this documentation reveals that Industrial Waste Group has adequately demonstrated abatement of the violations discovered during the April 7, 2009, inspection as listed below:

Violation	Date Violation Observed	Date Violation Abated
1. OAC Rule 3745-279-22 (C) (Used oil storage requirements - proper labels).	April 7, 2009	April 7, 2009
2. OAC Rule 3745-279-24 (Off-site shipments of used oil by generators).	April 7, 2009	September 2, 2009

No response to this letter is necessary. If you should have any questions, please feel free to call me at (419) 373-3082.

Sincerely,

Amber M. Hicks
Division of Hazardous Waste Management
