**Subject: Waste Analysis Plan (Container Inspection) – Return to Compliance
ESOI Otter Creek Road Facility
OHD 045 243 706
RCRA Hazardous Waste / Lucas County**

Dear Mr. Humphrey:

Thank you for providing me with the updated manifest copy I requested in my September 1, 2010, e-mail Load #A91208005 Manifest Corrections. I have reviewed your September 7, 2010, e-mail response, the Response to Ohio EPA's January 15th, 2010 Notice of Violation Letter dated February 26, 2010, and the container inspection records completed by Envirosafe Services of Ohio, Inc. (ESOI) from January 18, 2010, through June 15, 2010.

Based upon my review of these records, ESOI has abated the violations of Permit Conditions B.3(b) and B.3(g), and OAC Rule 3745-54-13(B), and has addressed the concerns cited in the January 15, 2010, Notice of Violation letter.

If you should have any questions, please feel free to contact me at (419) 698-3130 or via e-mail at chris.maslo@epa.state.oh.us.

Sincerely,

Chris Maslo
Environmental Specialist
Division of Hazardous Waste Management
