**Re: Open Dumping
Ottawa County**

June 6, 2007

Mr. and Mrs. Marvin L. and Betty L. Grau
12843 West Salem Carroll Road
Oak Harbor, Ohio 43449

Dear Mr. and Mrs. Grau:

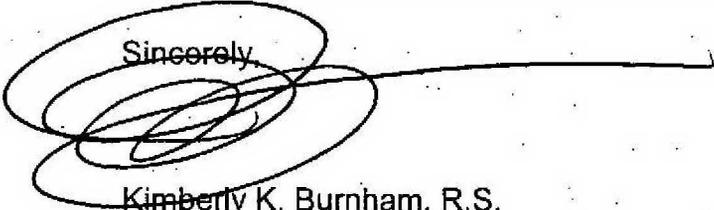

On May 22, 2007, I, representing the Ohio Environmental Protection Agency (Ohio EPA) Division of Solid and Infectious Waste Management (DSIWM), reinspected property you own on West Salem Carroll Road between Benton-Carroll and Toussaint-Portage Roads, just west of the railroad tracks (property) to verify removal of solid waste and construction and demolition debris that had been illegally disposed at this site.

No wastes were visible at the former dump area. A "no dumping" sign had been posted at the entrance to the site. On June 4, 2007, your nephew, Mr. Ron Laubacher, stated that metal from the site had been taken to a recycler and the debris had been disposed in the weekly township trash pickup.

Ohio EPA considers this complaint to be closed.

If you have any questions, please contact me at (419) 373-3049.

Sincerely,

Kimberly K. Burnham, R.S.
Environmental Specialist
Division of Solid and Infectious Waste Management
