CERTIFIED MAIL

Mr. Wilbur Buffington
410 Superior Street
Genoa, Ohio 43430

Dear Mr. Buffington:

On August 13, 2007, I, representing the Ohio Environmental Protection Agency (Ohio EPA), conducted an inspection of the properties located on Elmdale Drive, lots 7-12 and 16-20, Park Addition, Clay Township, Ottawa County (property). Mr. Rick Stine and other Venture Recycling employees were present during the inspection.

Ohio EPA is aware that Venture Associates purchased this property from you on June 21, 2007. The sale of this property did not relieve you of your obligations to comply with Ohio EPA Director's Final Findings and Orders (DFF&Os), dated June 7, 2002, and a Judgment Entry from the Ottawa County Court of Common Pleas, dated June 15, 2004. These legal documents make you responsible for and obligate you to complete the cleanup of lots 7-20 of the Park Addition, which includes removal of scrap tires, materials that can be salvaged or recycled, and solid waste from the property. Ohio EPA is aware that you contracted with Venture Recycling in summer 2006 to conduct the cleanup. Although significant progress has been observed since summer 2006, scrap tires, materials that could be salvaged or recycled (vehicles and metals), and solid waste remain on the property in violation of the DFF&Os and the Ottawa County Judgment Entry.

Specifically, Order number 2 of the June 7, 2002, DFF&Os required the removal of all scrap tires from the property within 120 days of the effective date of the DFF&Os. Order number 5 of the DFF&Os required the removal of all materials that can be salvaged or recycled from the property within 180 days of the effective date of the DFF&Os. Order number 6 of the DFF&Os required the removal of all solid waste from the property within 365 days of the effective date of the DFF&Os.

You remain in violation of Orders number 2, 5, and 6 of the June 7, 2002, DFF&Os, for failing to remove all scrap tires, materials that can be salvaged or recycled, and solid waste from the aforementioned property.

Mr. Wilbur Buffington

You will continue to be in violation of Orders number 2, 5, and 6 of the June 7, 2002, DFF&Os until all scrap tires, materials that can be salvaged or recycled, and solid waste are removed from the property.

Order number 2 of the June 15, 2004, Judgment Entry required the removal of all scrap tires from the property within 120 days after the effective date of the Judgment Entry. Order number 5 of the Judgment Entry required the removal of all material that can be salvaged or recycled from the property within 180 days of the effective date of the Judgment Entry. Order number 6 of the June 15, 2004, Judgment Entry requires the removal of all solid waste from the property within 365 days of the Judgment Entry.

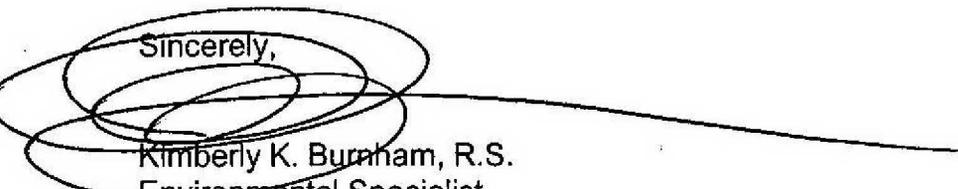

You remain in violation of Orders number 2, 5, and 6 of the June 15, 2004, Judgment Entry for failing to remove all scrap tires, materials that can be salvaged or recycled, and solid waste from the aforementioned property. You will continue to be in violation of Orders number 2, 5, and 6 of the June 15, 2004, Judgment Entry until all scrap tires, material that can be salvaged or recycled, and scrap tires are removed from the property.

Forward receipts documenting disposal of the scrap metal, scrap tires, and solid waste to my attention at:
