Dear Mr. Tipton:

Thank you for responding to my September 26, 2007, letter to you. Your letter, received by Ohio EPA's Southeast District Office on October 15, 2007, states that you recently had some aluminum cans removed from your property, as documented by receipts you provided, and you intend to remove the remaining debris this winter.

I encourage you to continue your clean up efforts and remind you to send me copies of receipts from the disposal facility receiving your wastes to document proper disposal. Please remember that previously cited violations of Ohio Revised Code (ORC) Chapters 3734.05(A)(1), 3734.03 and Ohio Administrative Code (OAC) Rules 3745-27-21(A)(1), 3745-37-01(A), 3745-27-05© pertaining to the handling and disposal of solid waste, as well as ORC 6111.04, regarding potential pollution of waters of the State of Ohio will continue to accrue until such time as your Neffs/Bellaire Road property is in substantial compliance with Ohio's solid waste regulations and law.

Should you have any questions, please contact me at (740) 380-5408.

Sincerely,

Robert Murphy, R.S.
