Dear Mrs. Kubic:

Thank you for your copy of the waste receipt from Apex Environmental Solid Waste Transfer Station, located in Bridgeport, Ohio. This receipt, and accompanying letter, was received by Ohio EPA's Southeast District Office on February 14, 2007. Your receipt documents the removal and disposal of a total of 920 pounds of solid waste on December 11, 2006.

I appreciate the efforts you have undertaken to remove and properly dispose of this material and encourage you to continue these efforts. Please keep up the good work and continue to send me copies of receipts from the disposal facility receiving your wastes to document proper disposal.

However, please remember that previously cited violations of Ohio Revised Code (ORC) Chapter ORC Chapter 3734.03 and OAC Rules 3745-27-05(C) and 3745-400-04(D). 3734.03 will continue to accrue until such time as your property is in substantial compliance with Ohio's solid waste and C&DD regulations and laws.

In addition, you will remain in violation of ORC 3767.13(B) which states that no person shall cause or allow offal, filth, or noisome substances to be collected or remain in any place to the damage or prejudice of others or of the public.

Your letter states that when the weather breaks, you will have all the debris taken to a landfill. Please contact me within fifteen (15) days and provide an estimated completion date for having the remainder of the debris removed from your property and properly disposed of. Should you have any questions, please contact me at (740) 380-5408.

Sincerely,

Robert Murphy, R.S.
