Mr. Donald Kudner
Quality Assurance Manager
TL Industries Inc.
2541 Tracy Road
Northwood, Ohio 43619

Dear Mr. Kudner:

Thank you for your April 17, 2009, response to Ohio EPA's March 20, 2009, Notice of Violation letter. You submitted documentation including two photographs of boxes of properly closed, labeled and dated containers of universal waste lamps. Your response also explains that TL maintenance personnel and managers received training on March 5, 2009, regarding the proper management of universal waste lamps.

My review of this documentation reveals that Denbro has adequately demonstrated abatement of the violations discovered during my March 4, 2009, inspection.

If you have any questions, please feel free to call me at 419-373-3074.

Sincerely,

Don North
District Representative
Division of Hazardous Waste Management
