Re: Lucas County
Meinke Marina
NPDES Permit

November 14, 2011

Mr. Gary Meinke
Meinke Marina and Campground
10760 Jerusalem Road
Curtice, Ohio 43412

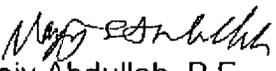

Dear Mr. Meinke:

On November 3, 2011, I conducted an inspection of the sewage Treatment Plant serving Meinke Marina west located at 10955 Corduroy Road, Jerusalem Township. During my inspection, one aeration tank was in operation. The outlet pipe from the plant was discharging clear water.

Our records indicate that since the effective date of your NPDES permit, no discharge monitoring reports were submitted. Please note that failure to sample and/or submit monthly reports is a violation of the conditions of your NPDES permit.

Please inform this office by December 1, 2011, of the reasons for not sampling and reporting, and expected return to compliance with the conditions of the NPDES permit. If you have any questions regarding the above, please contact me at naajy.abdullah@epa.state.oh.us or (419) 373-3017.

Sincerely,

Naajy Abdullah, P.E.
Division of Surface Water
