Dear Mr. Burkholder:

Thank you for your January 23, 2012 response to Ohio EPA's January 13, 2012, Notice of Violation letter. In your response you stated that you had determined that you would use Safety Kleen to collect and transport your used oil.

My review of your letter reveals that Hydraulic Specialists has adequately demonstrated abatement of all violations discovered during the January 4, 2012 inspection.

If you should have any questions, please feel free to call me at (740) 380-5248.

Sincerely,
