Re: **Notice of Violation, Failure to Submit Discharge Monitoring Report**

Dear Mr. DeKleijne,

Ohio EPA has not received a Discharge Monitoring Report for the following months:

- 1. November, 2010

Please note that your Concentrated Animal Feeding Operation (CAFO) National Pollutant Discharge Elimination System (NPDES) permit requires collection of water quality samples during the months of **May** and **November**. The results from these samples are due no later than June 15<sup>th</sup> for the month of May and December 15<sup>th</sup> for the month of November. Ohio EPA recommends that you have the sampling containers available and review your permit requirements in Part I, B for specific details on sampling location and parameters to be analyzed. Failure to submit sampling data in accordance with your permit is a violation of the permit.

If you have any questions regarding sample collection or submitting the sample results to Ohio EPA, please contact me at 614-728-2397 or at [jon.bernstein@epa.state.oh.us](mailto:jon.bernstein@epa.state.oh.us).

Sincerely,

Jon Bernstein
