**Arsenic Maximum Contaminant Level (MCL) Exceedance**

Dear Public Water System Owner:

This letter is notification that ROBERTS TRAILER PARK is in violation for exceeding the maximum contaminant level (MCL) standard for arsenic of .010 mg/L as established in the Ohio Administrative Code (OAC) section 3745-81-11. Compliance with the arsenic MCL is based on a running annual average. The annual average for arsenic for the 1st quarter 2007 time period is 0.017 mg/L.

To address the MCL violation the ROBERTS TRAILER PARK is required to take the following actions:

- 1) ISSUE PUBLIC NOTICE:  
Within thirty days, issue public notice according to the enclosed instructions. Complete and return the verification form along with a copy of the public notice to my attention at the letterhead address within ten days after it is issued. If arsenic levels continue to exceed the MCL, the public notification must be updated and repeated for each period that the arsenic MCL is exceeded. A verification form and copy of the public notice must be sent to Ohio EPA each time the notice is repeated. The enclosed draft public notice may be used verbatim. The mandatory health language for arsenic must appear in the public notice. If you wish to make any changes to this draft, telephone this office for verbal authorization prior to issuing the public notice.
- 2) CONTINUE TO SAMPLE FOR ARSENIC:  
Continue collecting one sample for arsenic analysis on a quarterly basis. Your next sample should be collected between April 1 and June 30, 2007 .
- 3) WORK TO RESOLVE THE PROBLEM:  
Consult with your Ohio EPA district representative to discuss your options for coming into compliance and to establish a compliance schedule.

# DRINKING WATER NOTICE

## ROBERTS TRAILER PARK has Levels of Arsenic Above Drinking Water Standards

Our water system recently violated the maximum contaminant level (MCL) for Arsenic. The average level of arsenic over the last four quarters was 17 ug/L. The standard for arsenic is 10 ug/L.

### What should I do?

**You do not need to use an alternative (e.g., bottled) water supply.**

However, if you have specific health concerns, consult your doctor.

### What does this mean?

The levels detected do not pose an immediate risk to your health. However, some people who drink water containing arsenic in excess of the MCL over many years could experience skin damage or problems with their circulatory system, and may have an increased risk of getting cancer.

### What is being done?

We are investigating and taking the necessary steps to correct the problem as soon as possible.

For more information, please contact \_\_\_\_\_ at \_\_\_\_\_ or \_\_\_\_\_  
name of contact phone number mailing address

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*

## PUBLIC NOTICE INSTRUCTIONS AND VERIFICATION FORM FOR COMMUNITY PUBLIC WATER SYSTEMS WITH TIER 2 VIOLATIONS

The owner or operator of a community public water system with a Tier 2 violation or situation shall notify the persons served by the public water system as soon as practical but **no later than 30 days** after the system learns of the violation. Public notice shall be repeated every 3 months as long as the violation or situation persists.

I HEREBY CERTIFY THAT THE PUBLIC WAS NOTIFIED BY THE FOLLOWING METHOD(S) INDICATED BELOW, AS DESCRIBED IN THE OHIO ADMINISTRATIVE CODE RULE 3745-81-32:

Required Method of Public Notification	Actual Method of Public Notification
<p><b>Use the following method to reach all persons served by the public water system:</b></p> <p>Public notice issued by mail or other direct delivery to each customer receiving a bill and to other service connections to which water is delivered by the public water system</p>	<p><b>Describe actual methods used to notify public of the violation:</b></p> <p>A. Date of mailing/delivery _____</p> <p>_____</p>
<p><b>If the above method does not reach all persons served, also use any other method reasonably calculated to reach other persons regularly served by the public water system (e.g. publication in a local newspaper, delivery of multiple copies for distribution by customers that provide their drinking water to others, posting in public places served by the system or on the Internet, or delivery to community organizations). If the notice is posted, it shall remain in place as long as the violation exists, but in no case less than 7 days.</b></p>	<p>A. Method(s) _____</p> <p>_____</p> <p>_____</p> <p>B. Date(s) _____</p> <p>_____</p>

**Please check if the public notice used was provided by Ohio EPA (other side of this form) or another acceptable notice was used:**

\_\_\_\_\_ A public notice as shown on the other side of this sheet was issued without changes.

\_\_\_\_\_ A different public notice was issued. **INCLUDE A COPY OF THE PUBLIC NOTICE.**
