Dear Mr. Dattilo:

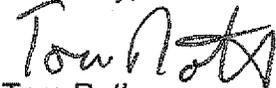

Thank you for your January 24, 2012 (received January 30, 2012) response to Ohio EPA's December 30, 2011 Notice of Violation letter. The documentation you submitted included copies of hazardous waste tank inspection logs indicating that these tanks are now being inspected each day of the week.

My review of this documentation reveals that Chemical Solvents has now abated all violations discovered during the December 9, 2011 inspection as listed below.
