**RE: RTC -MILACRON, INC LLC- LQG (OHD072885429)**

Dear Mr. Halcomb:

On July 26, 2011 I received your response to my June 24 Notice of Violation letter. You mailed me photographic documentation that the three violations I cited had been corrected.

My review of the documentation allows me to conclude that you have adequately demonstrated the abatement of the following three violations:

- 1) OAC 3745-65-33, testing, maintenance and record-keeping for emergency equipment
- 2) OAC 3745-273-13(D)(1), proper management of universal waste lamps
- 3) OAC 3745-279-22(C)(1), labeling used oil containers

Please feel free to call me (937) 285-6090 if I can assist you in any way in remaining in compliance with the hazardous waste rules.

Sincerely,

Tom Ontko
