**RE: FINAL NOTICE OF VIOLATION – Wildcat Woods Campground WWTP  
NPDES Permit 1PX00058\*AD/OH0137529, Washington Twp., Darke County**

Dear Ms. Brown,

Ohio EPA has not received a response to the Notices of Violation sent in July 2008 and December 2008 regarding failure to meet the conditions of the Wildcat NPDES permit 1PX00058\*AD. Daily Monitoring Reports (DMRs) have not been received from this facility since August 2007. Failure to submit operating reports is a violation of the NPDES permit. The NPDES permit includes a schedule of compliance to upgrade the wastewater treatment facility by meeting the following requirements on the respective dates:

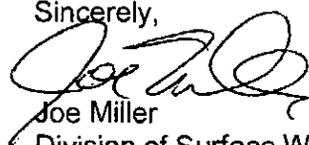

Submittal of a permit to install for wastewater improvements – July 1, 2007  
Initiation of Construction – July 1, 2008  
Completion of Construction – May 1, 2009  
Compliance with Final Effluent Limitations – July 1, 2009

These compliance milestones have not been completed as required by the NPDES permit. Ohio EPA has not received a permit to install for wastewater improvements to date. Provide the following information within ten (10) days of receipt of this letter.

1. The expected date of submittal of the required permit to install.
2. A contingent date of initiation of construction of these improvements.
3. The name and certification number of your wastewater operator.
4. Confirmation that a PIN # for eDMR submittals has been obtained and that monitoring reports will be submitted as required.

Failure to provide the above information and to bring this facility into compliance with the NPDES will result in the matter being forwarded for enforcement action. If you have any questions, I can be reached at (937) 285-6109 or [joe.miller@epa.state.oh.us](mailto:joe.miller@epa.state.oh.us).

Sincerely,

Joe Miller
