RE: NOTICE OF VIOLATION
NPDES PERMIT NO. 1PV00120*AD

Dear Mr. and Mrs. Childress:

The NPDES discharge permit renewal application was due to this office on September 30, 2007. The permit for the discharge from your sewage treatment plant will expire on March 31, 2008. I have not received this application and you are considered to be in violation of the submittal requirements of your permit.

For compliance purposes I have assigned a due date of March 28, 2008 for the submission of this late application. Failure to submit this application may result in a recommendation for enforcement action. Please contact me at (937) 285-6101 or at my email address, mary.osika@epa.state.oh.us, if you have any questions.

Sincerely,

Mary Osika
Environmental Specialist
Division of Surface Water
