RE: Kissel Brothers Shows, Inc.
6068 State Route 128
NPDES Permit # 1PZ00068*CD
NOTICE OF VIOLATION

Dear Ms. Kissel:

The facility referenced above is regulated by a NPDES Permit for the discharge of treated wastewater to the Great Miami River. The facility is required under this permit to submit Monthly Operating Reports as stated in Part III, A. of the permit. A compliance review was conducted and shows that Monthly Operating Reports from January 2008 through July 2009 have not been submitted to Ohio EPA.

The failure to submit Monthly Operating Reports is considered a violation of your permit. Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

For compliance purposes you are requested to respond to this letter in writing or contact me at (937) 285-6101 to discuss the issue of the missing Monthly Operating Reports within 10 days of receipt of this letter.

Sincerely,

Mary Osika
Environmental Specialist
Division of Surface Water
