In addition, the flow rate is required to be reported as gpd or gallons per day. The flow rate is currently reported as MGD or million gallons per day. Please report the flow rate using the correct units and reporting code 00056.

Please be advised that failure to satisfy the monitoring or reporting requirements of your NPDES Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

Please inform this office, in writing, within ten days of receipt of this notification as to the reasons for the above referenced violations, as well as a description of the actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions. Future violations must be reported as required by the NPDES Permit as detailed in Part III.12 titled "Noncompliance Notification."

If you have any questions regarding the above, please contact me at (937) 285-6096.

Sincerely,

Ned Sarle
