Re: Butler County, Aeronca, Inc., NPDES Permit Violations

Dear Mr. Grimmer:

We have reviewed your Monthly Operating Reports (MORs) covering the months of August 2007 through March 2008 for the referenced facility. Our review indicates violations of the conditions of your NPDES Permit (NPDES Permit # OH0009156; OEPA Permit # 11C00003*DD). The specific instances of noncompliance were as follows:

Effluent Limit Violations					
Reporting Period	Parameter	Limit Type	Units	Permit Limit	Reported Value
August 2007	Copper	Monthly	ug/l	36	39
November 2007	Silver	Monthly	ug/l	1.3	4.9
November 2007	Silver	Monthly	kg/day	0.0034	0.014
November 2007	Silver	Daily	ug/l	13	15
November 2007	Silver	Daily	kg/day	0.034	0.049
December 2007	Zinc	Monthly	ug/l	300	331
December 2007	Silver	Monthly	ug/l	1.3	2.4
December 2007	Copper	Monthly	ug/l	36	54
December 2007	Zinc	Daily	ug/l	330	575

Finally, please be advised that failure to comply with the effluent limitations or to satisfy the reporting requirements of your NPDES Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

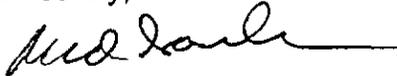

We have received your report addressing the reason for the November 2007 violations and the actions being taken to prevent further occurrences. However, the August and December 2007 violations do not appear to have been addressed. Please inform this office, in writing, within ten days of receipt of this notification as to the reasons for the August and December 2007 violations, as well as a description of the actions taken or

proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions. Future violations must be reported as required by the NPDES Permit as detailed in Part III.12 titled "Noncompliance Notification."
