Re: Butler County, YMCA Camp Campbell Gard, NPDES Permit Violations

Dear Mr. Taylor:

We have reviewed your Discharge Monitoring Reports (DMRs) covering the months of November 2009 through April 2010 for the referenced facility. Our review indicates violations of the conditions of your NPDES Permit (NPDES Permit # OH0131865; OEPA 1PR00111*BD). The specific instances of noncompliance and deficiencies were as follows:

Effluent Limit Violations					
Reporting Period	Parameter	Limit Type	Units	Permit Limit	Reported Value
January 2010	TSS	Monthly	mg/l	12	15
April 2010	CBOD5	Daily	mg/l	15	32

Please be advised that failure to comply with the effluent limitations or to satisfy the reporting requirements of your NPDES Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

Please inform this office, in writing, within ten days of receipt of this notification as to the reasons for the above referenced violations, as well as a description of the actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions. Future violations must be reported as required by the NPDES Permit as detailed in Part III.12 titled "Noncompliance Notification." NPDES Permit violations may also be reported in accordance to the new Ohio EPA reporting requirements. These reporting requirements are addressed at the following Ohio EPA website: http://www.epa.state.oh.us/dsw/permits/24-hour_Report_FactSheet.pdf.

Mr. Rick Taylor
