Re: Butler County, Fairfield WTP, NPDES Permit Violations

Dear Mr. Crouch:

We have reviewed your Discharge Monitoring Reports (DMRs) covering the months of May through November 2010 for the referenced facility. Our review indicates violations of the conditions of your NPDES Permit (NPDES Permit # OH0085600; OEPA Permit # 1IW00000\*DD and 1IW00000\*ED). The specific instances of noncompliance were as follows:

Effluent Limit Violations for May through November 2010						
Reporting Period	Station	Parameter	Limit Type	Units	Permit Limit	Reported Value
September 2010	002	TSS	Monthly	mg/l	30	128
September 2010	002	TSS	Monthly	kg/day	6.8	50
September 2010	002	TSS	Daily	mg/l	45	128
September 2010	002	TSS	Daily	kg/day	10	50

Please be advised that failure to comply with the effluent limitations of your NPDES Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

We have reviewed your reports addressing the reasons for the above violations and the actions being taken to prevent further occurrences. No additional information is requested at this time. Future violations must continue to be reported as required by the NPDES Permit as detailed in Part III.12 titled "Noncompliance Notification."
