Re: Butler County, City of Fairfield WWTP, NPDES Permit Violations

Dear Mr. Crouch:

We have received your Monthly Operating Report covering the month of December 2008 through October 2009 for the referenced facility. Our review indicates violations of the condition of your NPDES Permit (NPDES Permit # OH0025071; OEPA Permit # 1PD00003\*ND). The specific instances of noncompliance were as follows:

Effluent Limit Violations for December 2008 through October 2009					
Reporting Period	Parameter	Limit Type	Units	Permit Limit	Reported Value
June 2009	Ammonia	Weekly	mg/l	2.4	3.5
June 2009	Fecal Coliform	Weekly	#/100 ml	2000	3051

Please be advised that failure to comply with the effluent limitations of your NPDES Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

We have reviewed your reports addressing the reasons for the above violations and the actions being taken to prevent further occurrences. No additional information is requested at this time. Future violations must continue to be reported as required by the NPDES Permit as detailed in Part III.12 titled "Noncompliance Notification."

Mr. Dave Crouch
