RE: Return to Compliance

Dear Mr. Rupp:

On January 19, 2012, the Ohio Environmental Protection Agency investigated a complaint concerning property owned by you in Franklin Township, off Tappenhill Road, located in Harrison County. On January 23, 2012 you contacted me and informed me that it would be cleaned up that week. On February 1, 2012, I did a follow-up inspection. At the time, the site was clean and free of waste and a J&J refuse roll off box was at the site, but no waste was observed at the site. Thank you for the quick response to the complaint and for returning to compliance.

If you have any questions, please contact me at this office. You can reach me either by mail or by calling me at (740) 380-5228.

Sincerely,

Erika Jackson
