**RE: NOTICE OF VIOLATION, FAILURE TO COMPLY WITH NPDES PERMIT  
*Valley View Mobile Home Park, 1PY00002\*AD/OH0133787, Champaign County***

Dear Ms. Logan,

Ohio EPA has no record of monthly operating reports being submitted for the above referenced facility since December 2005. Failure to submit operating reports is a violation of your NPDES permit. In addition, Ohio EPA has not received a PTI for wastewater treatment plant improvements by May 1, 2004 as required by your NPDES schedule of compliance. In addition, the following compliance milestones were therefore not completed as required by your NPDES permit:

- Begin construction of wastewater improvements, December 2004
- Complete construction of wastewater improvements, September 2005
- Attain compliance with final effluent limitations, June 2006

Failure to meet the requirements of your NPDES permit is grounds for enforcement action. Inform this office, in writing, as to the reasons for the above referenced violations, as well as a description of the actions proposed to remedy this situation and further violations. Your response should include dates, either actual or proposed, for completion of actions. Provide a response by **January 18, 2008**.

Should you have any questions, I can be reached at (937) 285-6109.

Sincerely,

Joe Miller
