Notice of Violation – Schedule of Compliance for November 2008, Clark County**

Dear Ms. Finkes:

On November 1, 2008, Clark-Shawnee Local School District (LSD) was required to submit a progress report for Rockway, Reid and Possum that details the steps that were taken or will be taken to eliminate roof drains, foundation drains, and other clean water connections to the wastewater treatment plant. To date, Ohio EPA has not received these reports in violation of your NPDES permits - Schedule of Compliance, Part I.C1.a. Immediately submit the required report for each of the schools.

Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

Please inform this office, in writing, within ten days of receipt of this notification as to the reason for violations, as well as a description of the actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions.

If you have any questions regarding the above, please contact me at (937) 285-6104.

Respectfully,
