Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

Please inform this office, in writing, within ten days of receipt of this notification as to the reason for violations, as well as a description of the actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions.

**Noncompliance Notification.** On July 20, 2009, Tecumseh Court's DFFOs became effective. Order 1.a required Tecumseh Court to submit a Permit-to-Install (PTI) application and detail plans for treatment and sewer system improvement within four months of the effective date of the Orders. The PTI application and detail plans were required by November 20, 2009. As of the date of this letter, Ohio EPA has not received the PTI application and detail plans in violation of the Director's Order. Immediately submit the PTI application and detail plans.

If you have any questions regarding the above, please contact me at (937) 285-6104.

Respectfully,

Sandra D. Leibfritz
