Re: Lakeside Estates MHP / Failure to Submit NPDES Renewal Application

Mr. Sansalone:

The Lakeside Estates Mobile Home Park current National Pollutant Discharge Elimination System permit (1PV00046*AD) is set to expire 12/31/2008. According to OAC 3745-33-04 (C)(1), *The director shall notify the permittee that any permittee who wishes to continue to discharge after the expiration date of his Ohio NPDES permit must file for reissuance of the permit at least one hundred eighty days prior to its expiration. Except as provided by paragraph (C)(2) of this rule, Ohio NPDES permits shall be renewed in accordance with the provisions for issuance of permits under this chapter.* Ohio EPA has not received the referenced renewal application.

A letter reminding the Lakeside Estates MHP to submit the renewal application was mailed on 3/3/2008. If Lakeside Estates wishes to continue to discharge from the wastewater treatment plant, please submit the renewal application immediately.

If you have any questions regarding the above, please contact me at (937) 285-6028.

Sincerely,

Michelle Waller
