Please inform this office, in writing, as to the reasons for the above referenced violations, as well as a description of the actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions. Please note that Violations must be reported as required by the NPDES Permit as detailed in Part III.12 titled "Non-compliance Notification". All future violations must be reported as required. Until the school's wastewater is connected to the sanitary sewers being installed as part of the Village of Fletcher sewer project, proper operation of the wastewater treatment plant is still required. Operating data is also required to be submitted as per the NPDES permit.

An Operator of Record form has not been submitted to Ohio EPA for this facility. Have your operator complete the enclosed form and submit to this office. This form and the above explanation are requested by **January 25, 2010**. Should you have any questions, I can be reached at 937-285-6109.

Sincerely,

Joe Miller,
