**RE: NOTICE OF VIOLATION
Village of Pleasant Hill Wastewater Treatment Plant
NPDES Permit 1PB00026*JD/OH0029475
Pleasant Hill, Miami County**

Mayor and Board:

On April 23, 2009, I conducted a Reconnaissance Inspection at the Village of Pleasant Hill wastewater treatment works. This inspection was conducted to review compliance with the NPDES discharge permit.

In addition, a review of the self-monitoring reports (eDMRs) revealed incidences of non-compliance during the period evaluated (September 2007 to March 2009). The specific instances of non-compliance are listed in the provided attachment. The improvements to the wastewater treatment plant (WWTP) that the Village has proposed are intended to address the system deficiencies that have resulted in past effluent violations. Ohio EPA is currently reviewing the design specifics of the proposal.

No response to this inspection is necessary at this time since the proposed treatment plant improvements have been submitted. Please note, however, that effluent violations are required to be reported as per Part III, Item 12 of your NPDES permit. In lieu of the spill hotline, you may contact me directly to report any future violations by email at joe.miller@epa.state.oh.us. You may also contact me by telephone at (937) 285-6109; however, a written follow-up would still be necessary. If you have any questions, please contact me by either of these methods.

Sincerely,

Joe Miller
Division of Surface Water
Compliance and Enforcement
