Dear Public Water System Owner:

I have received the results of the Lead and Copper Tap Sample analysis performed on a sample(s) from SIDNEY CITY PWS, fulfilling the monitoring requirements for the June 1 through September 30, 2011 time period. Therefore, the monitoring violation issued on 11/30/2011 is rescinded, and SIDNEY CITY PWS will not be required to issue a public notice as outlined in the notice of violation.

In order to remain in compliance, you must continue to monitor for all chemical parameters as indicated on your most recent monitoring schedule.

If you have any questions, please contact me at (614) 644-2752.

Sincerely,

Kenneth Baughman
