Dear Mr. Minihan:

Ohio Environmental Protection Agency (Ohio EPA) received the Ten-Year Anniversary Design Demonstration for Central Waste, Inc. (CWI) on February 6, 2012, revised February 16, 2012, by Civil and Environmental Consultants, Inc. (CEC) on behalf of CWI disposal facility. CWI is located at 12003 Oyster Road in Alliance, Ohio. CWI's original permit to install (PTI) was issued by Ohio EPA on January 15, 1982; therefore, the Ten Year Design Demonstration was due by January 15, 2012. This document was received in response to the January 23, 2012 Notice of Violation letter.

The design demonstration was submitted in accordance with the Ohio Administrative Code (OAC) Rule 3745-27-19(N). Ohio EPA has reviewed the February 16, 2012 design demonstration with CWI's PTI No. 02-14224 issued March 1, 2005 and subsequent revisions, and concurs that CWI's authorizing documents comply with the current version of OAC Rule 3745-27-08, effective October 30, 2008.
