RE: Notice of Violation
Dayton WWTP
NPDES Permit 1PF00000*ND
Application No. OH0024881

Dear Mayor and Council:

We have received your self-monitoring report for the month of April, 2011, for the City of Dayton's Wastewater Treatment Plant. Our review indicates a violation of the conditions of the NPDES permit for the facility. The specific instance of noncompliance is as follows:

EFFLUENT LIMIT VIOLATIONS AT OUTFALL 001

<u>Parameter</u>	<u>Date</u>	<u>Permit Limit</u>	<u>Value Reported</u>
Total Suspended Solids	week 4/1/2011	12283 kg/day	12957.9 kg/dayl

Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

A response to this Notice of Violation is required by May 31, 2011 detailing the cause of the violation and any actions that will be taken to prevent non-compliance with the permit. If you have any questions about this letter, please call me at (937) 285-6101.

Sincerely,

Mary Osika
Environmental Specialist
Division of Surface Water

ec: Gary Marshall, City of Dayton Wastewater Treatment
