Re: Montgomery County, Stony Hollow Landfill, Inc., NPDES Permit Violations

Dear Mr. Ali:

The Ohio EPA has completed a compliance evaluation of the Monthly Operating Reports covering the months of June 2009 through June 2010 for the Stony Hollow Landfill, Inc. facility. The evaluation indicates a violation of the conditions of your NPDES Permit (NPDES Permit # OH0137804; OEPA Permit # 11N00245*AD). The specific instance of noncompliance is as follows:

Effluent Violation					
Reporting Period	Parameter	Limit Type	Limit	Reported Value	Violation Date
March 2010	TSS	Monthly	35	42	3/1/2010

Please be advised that failure to comply with the effluent limitations, monitoring, or reporting requirements of your NPDES Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

The Ohio EPA is in receipt of the notification of the effluent violation per Part III of permit 11N00245*AD. The explanation given with the notification is satisfactory and an additional response is not required. If you have any questions or concerns regarding this matter please feel free to contact me at (937) 285-6107 or via email at Robert.Ostendorf@epa.state.oh.us.

Sincerely,

Bob Ostendorf Jr.
