Re: Voyager Village MHP, Compliance Evaluation Inspection and Notice of Violation

Dear Mr. Skillman:

On November 12, 2008, I conducted a Compliance Evaluation Inspection at the Voyager Village MHP (NPDES Permit No. OH004649; OEPA Permit No. 1PV00036*FD). Representing this facility was Mr. Jeff Russell of Voyager Village MHP, and Mr. Bob Gomez of Winelco, Inc.. A copy of my inspection report is enclosed.

The inspection report contains two unsatisfactory areas. The Effluent / Receiving Waters section was rated unsatisfactory as a result of the NPDES Permit violations. The Self Monitoring section was rated unsatisfactory as a result of the numerous monitoring frequency violations.

The areas noted in the report summary and the violations identified in Attachment 1 will require a written response by December 15, 2008. The response should include a description of the actions proposed to correct the violations and the dates anticipated for completion of these actions.

If you have any questions regarding this matter please feel free to contact me at (937) 285-6107 or via email at: Robert.Ostendorf@epa.state.oh.us.

Sincerely,

Bob Ostendorf Jr.
