Dave Worshil Auto Wrecking  
1936 Baldwin Ave. NE  
Canton, OH 44705

Dear Mr. Worshil:

Thank you for your September 19, 2011 response to Ohio EPA's January 5, 2011 Notice of Violation (NOV).

The documentation you submitted included the following:

1. Invoices for loads of used oil-contaminated soil excavated from your facility.
2. Photographs documenting the clean-up activity.

Ohio EPA has reviewed the documentation you submitted and has determined that it is sufficient to correct the violation cited in the NOV:

1. **Response to Releases of Used Oil  
OAC 3745-279-22(D)**

No response to this letter is required.

Failure to list specific deficiencies in this communication does not relieve Dave Worshil's Auto Wrecking from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Sincerely,

Edward J. D'Amato
