RE: Creekside Village Mobile Home Park NPDES 1PV00125 Notice of Violation (NOV)

Dear Mr. Collins:

According to our records, the National Pollutant Disposal Elimination System (NPDES) permit 1PV00125 for the Creekside Village Mobile Home Park Wastewater Treatment Plant (WWTP) will expire March 31, 2010. Your current NPDES permit states "In order to receive authorization to discharge beyond the above date of expiration, the permittee shall submit such information and forms as are required by the Ohio EPA no later than 180 days prior to the above date of expiration." Ohio EPA has not received the NPDES renewal forms, Antidegradation Addendum, or the application fee for this facility, even though it is now less than 180 days prior to the expiration date.

Within 14 days of the date of this Notice of Violation you must submit the NPDES renewal application forms, Antidegradation Addendum, and NPDES application fee for the Creekside Village Mobile Home Park WWTP NPDES permit. Please be advised that failure to comply with the submittal of the renewal application for your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

If you have any questions regarding the above, please contact me at this office.

Respectfully,

Maureen M. Ware
