**RE: Notice of Violation Eldorado NPDES NO. 1PA00014**

Ladies and Gentlemen:

The cover letter for my June 14, 2011 inspection report required a response by July 22, 2011 for items found to be deficient during the inspection (Records/Reports, Laboratory, Compliance Schedule, and Effluent/Receiving Waters). Since no response has been received to date, Eldorado is in violation of its National Pollutant Discharge Elimination System (NPDES) permit 1PA00014 Part III, Item 9 "Duty to Provide Information".

Within 14 days of the date of this Notice of Violation inform this office, in writing, as to the reason for the above referenced violation, as well as a description of the actions taken or proposed to prevent any further violations. Your response must include the dates, either actual or proposed, for completion of the actions. Please be advised that failure to comply with any of the requirements for your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

If you have any questions regarding the above, please contact me at this office.

Respectfully,

Maureen M. Ware
