Subject: Rescinding Violation – TCR MONITORING

Dear Mr. Wisby:

On January 25, 2011, we sent you a letter for failure to comply with the total coliform monitoring requirements for December, 2011. We have since received all the required sample results collected during this monitoring period. Therefore, the monitoring violation has been rescinded.

Three missing samples collected December 21, 2011 were not reported until February 8, 2012. Please remember to check your eDWR account regularly to verify that your laboratory has properly submitted all required sample results on your behalf.

If you have any questions, please contact me at 937-285-6116.

Sincerely,

Mary McGuinn
