Dear Ms. Strom:

I received your response to my August 29, 2011 Notice of Violation (NOV) letter on September 15, 2011. The documentation you submitted included an updated closure cost estimate dated February 2011. The revised closure cost estimate to complete the Closure Plan is \$237,961.00.

My November 25, 2011 review of this documentation reveals that AMKO Service Company has adequately demonstrated abatement of the following violation discovered during the August 26, 2011 financial record review:

1. OAC Rule 3745-55-42(B), Must Adjust Estimate for Inflation
