Dear Public Water System Owner:

I have received the results of the nitrate analysis performed on a sample from OUR LADY OF THE ELMS ATHLETIC COMPLEX PW, fulfilling the monitoring requirements for the January 1 to December 31, 2011 time period. Therefore, the monitoring violation issued on 2/9/2012 is rescinded, and OUR LADY OF THE ELMS ATHLETIC COMPLEX PW will not be required to issue a public notice as outlined in the notice of violation.

In order to remain in compliance, you must continue to monitor for all chemical parameters as indicated on your most recent monitoring schedule.

If you have any questions, please contact me at (614) 644-2752.

Sincerely,

Wendy Sheeran
