Dear Public Water System Owner:

I have received notification that Wiers Farm AMLC 1 was not in operation during the January 1 to December 31, 2011 monitoring period. Therefore, the monitoring violation issued on February 9, 2012 is rescinded and Wiers Farm AMLC 1 will not be required to issue a public notice as outlined in the notice of violation.

In order to return to remain in compliance, you must continue to monitor for all chemical parameters as indicated on your most recent monitoring schedule.

If you have any questions, please call me at (614) 644-2752.

Sincerely,

Wendy Sheeran
