To Whom It May Concern:

On March 1, 2012, the Ohio Environmental Protection Agency performed an inspection of property owned by you (parcel #47-29-03-11-000) at 3740 Moxahala Place, Zanesville, in Muskingum County. My investigation noted the open dumping of construction and demolition debris (C&DD). It appeared that a house trailer had been demolished for scrap metal and the remains of the trailer were left dumped on the ground.

Please note that the above noted open dumping of C&DD is in violation of Ohio Revised Code (ORC) chapter 3734.03 and Ohio Administrative Code Rule 3745-400-04(B), which states in part:

No person shall conduct or allow illegal disposal of construction and demolition debris. . .

The C&DD on this property must be properly disposed of at a licensed solid waste or C&DD disposal facility. Please respond to this correspondence within 14 days of receipt. Your response should include details of your actions taken to properly dispose or recycle the current waste on your property. Please include copies of any receipts documenting the proper disposal of the noted C&DD.

If you have any questions, please feel free to contact me at this office. You can reach me either by mail or by calling me at (740) 380-5428.

Sincerely,
